# TEXTiles: INSCRIBED TEXTILES FROM LATE ANTIQUE AND MEDIEVAL EGYPT

13. December 2019

11 am – 15 pm

Library of the Institute of Papyrology  
Marstallstraße 6 (2. Stock), 69117 Heidelberg

Inscribed textiles from late antique and medieval Egypt offer many opportunities for inter-disciplinary investigations at the cross-roads of museum practice, archaeology, art history, conservation, and papyrology. This workshop considers the materiality of woven and inked inscriptions in Greek and Coptic to explore the relationship of language and identity, production and use, and other methodological questions.
